**Flying cup for a more challenging arrangement.**

It will be great fun and pretty to add this decorative flying cup topiary (shared by [sosyetikcadde](#)) for Easter home or office decoration, and it's so easy to make, get the old coffee or tea cup set, a fork/spoon, glue gun, and flowers, Easter eggs and other embellishments .

Basically, just glue the wire/fork to the cup and saucer and cover with eggs and flowers. Try adjusting the position of the cup to maintain stability. You may add a butterfly or other ornaments to make it more vivid. What's better is to hide real Easter eggs/or Chocolate eggs for kids to find.

For DIY Easter Egg Flying Cup Topiary, here are the things you will need:

- Coffee cup and saucer
- Wire or fork
- Easter eggs
- Scissors or wire cutters
- Hot glue gun
- Tape, Ornaments: beads, butterflies, ribbon, flowers, greenery, moss
